

Family Advertisements - Order Form

We're so excited to be able to offer an SAPK yearbook this year - and that includes family advertisements! This unique opportunity allows you to celebrate your child and their growth throughout the year, particularly for our kindergarteners graduating into their next school program!

Please note: All sizes are estimated in inches, but may not reflect the exact size of the printed page. Our yearbook will be 9" x 12", and all designs are estimated accordingly while keeping in mind margin requirements and spacing.

Available for families of graduating 5K students only:

Full page (~8.5" x 11" design):	\$150
Half page (~8.5" x 5.5" design):	\$100
Quarter page (~4.5" x 5.5" design):	\$70

**Only one
ad space
per child**

Available for any SAPK family (including 5K if desired):

Full Strip (~8.5" x 2.5" design):	\$45
Half Strip (~4.5" x 2.5" design):	\$20

There are several design templates of each size for families to choose from in order to share their love and pride for their student. Upon placing your order for a family advertisement, you will be contacted by our Communications Specialist Carina McGee with a link to choose your design elements. Please be aware that while small adjustments to templates may be possible, they cannot be guaranteed and will be at the discretion of the designer. We want to make sure your advertisement looks as good as it possibly can!

All family advertisement orders must be submitted no later than March 15th to allow sufficient design time.
