

Come One, Come All!

It's SAPC's Spring Spruce-Up Day!

Saturday 3/13/21, 9 a.m. – 12 p.m.

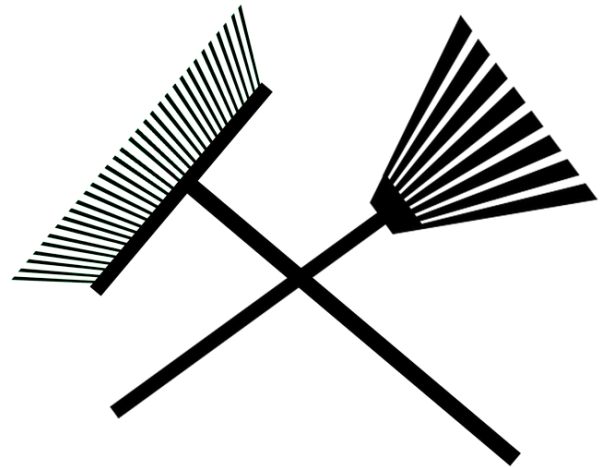

(Rain date: 3/20/21)

The SAPC Property Committee cordially invites you to enjoy a beautiful morning outside in fellowship and service to South Aiken Presbyterian Church!

With the coming of Spring and the pandemic lessening, more and more people are coming to the SAPC campus for worship, faithful learning, and service. Your help is needed to get our grounds and facilities in tip top shape!

In addition to the typical groundskeeping that needs to be done (such as laying out 20 cubic yards of mulch and general grounds clean-up) we have many other needs, such as restriping the parking lots, painting doors, pressure washing, and cleaning the Silver Bluff sign.

We need your help! And not only do we need your time and muscles, we need your tools too! Wheel Barrows / Wagons, Shovels, Pitchforks, Rakes, Brooms, Blowers, Pressure Washers. Bring gloves and safety glasses too of course!

Many hands make light work, so *please* make a commitment to spend a few hours to participate with your fellow SAPC members in making our campus more welcoming and inviting!
